

## B.T. Washington High School Wildcat Volleyball 2019 SPONSORSHIP

Sponsoring athletic programs is a terrific way to support your community and make an impact on the future of our children. Students who are involved in athletics are less likely to use drugs and alcohol or to drop out of school. Athletes are more likely to have positive self-images, be physically fit, and become positive and productive members of society. Athletes in the Wildcats Volleyball program are learning life lessons such as discipline, teamwork, sacrifice, and the benefits of a positive attitude and hard work.

The Washington High School volleyball program is raising funds to pay for program expenses. We are offering three levels of sponsorship opportunities; however, a donation of any size will help us reach our goal and be much appreciated. We thank you in advance for your support of the Washington High School Volleyball team.
